Subject: Declaration of conformity of the materials and articles intended to come into contact with food

Dear Sirs,

Mazzer Luigi S.p.a. produces coffee grinders, coffee grinder-dosers for commercial use, and tamper and tamper device.

The materials and articles we use in the parts intended to come into contact with the solid coffee are all made of materials conforming to the contact with food.

Our products are in compliance with the following EC regulation:

- Regulation 1935/2004/EC
- Regulation 10/2011/EC
- Regulation 2023/2006/EC and subsequent amendments
- Regulation 1907/2006 EC and subsequent amendments

and with the following U.S.A. regulation:

- FDA - CFR 21

FDA compliance is also attested by ETL mark approval affixed to equipment intended to North America (USA and Canada), according to NSF / ANSI Standard 8 and NSF / ANSI 51.

A handwritten signature in black ink, appearing to read 'Mauro Michielan'.
