To Whom It May Concern:

Planetary Design hereby declares that we are in full compliance with European human rights & environmental standards as stated in the EU Corporate Sustainability Due Diligence Directive (CSDD). We are committed to upholding these principles in all aspects of our operations, including sourcing, manufacturing and distribution.

We affirm our dedication to respecting and promoting human rights, including the rights of workers, within our supply chain. This includes ensuring fair wages, safe working conditions, and the prohibition of child labor and forced labor.

Furthermore, we are committed to minimizing our environmental impact and promoting sustainable practices. This includes reducing our carbon footprint, conserving natural resources, and promoting recycling and waste reduction initiatives.

We understand the importance of these standards in creating a fair, sustainable and ethical business environment, and we will continue to uphold them as a core part of our corporate values.

Best Regards,
